

# Mt. Ashland Blessing

## The Second Annual Ceremony

**Wednesday, April 16th at 1:00pm**

*Near the ski lodge on Mt. Ashland*

*Blessing the snow, blesses the water that streams forth touching  
all parts of the world and our lives as does the Great Spirit:  
common water, common ground, common prayer.*

**GRANDMOTHER AGNES BAKER PILGRIM  
Invites You To Join Us:**

*Be the blessing from the mountain.  
Join a diverse religious and cultural group of  
presenters and musicians representing spiritual  
traditions from around the world. We come  
together to bless the snow before it begins its  
migration around the globe. Join us in creating  
a community of prayer, song, music and sacred  
common ground that touches all of the world.*

*“Water Listens” - Agnes Baker Pilgrim*

Join Marie Hunter-Ripper, Robert Brothers  
and many others as we gather in the sacred circle.
